Greeting to you in the name of our Lord and Saviour Jesus Christ

We are very grateful and give thanks to God for the good and kind heart you have shown to us during this time of corona pandemic where every one is thinking about himself, however, you with the love of God in your heart you to come to our aid and help us with soap to wash our hands during this time thank you very much dear friend, a good friend is the one who visit in time of danger or trials. God bless you.

Now as we pray for each other continue to pray for us, the food given to us by UN is little due to the lockdown, we would need to add by farming but we don't have hoes pray for us so that our loving God give us hoes.

Thank God bless you
