

Dear church of Kajo-Keji,

We heard about the situation in the refugee camps. The UN is no longer able to distribute food packages and that makes it very difficult for you. Besides, you also must pay attention to the rules regarding Covid-19. We heard from Jeanette and Peter that mouth masks are made and brought to the refugees stuck in South-Sudan. We admire that. Despite the boundary, you think of the people in need and you think of the resources needed to help those people.

Despite the difficulties and the hunger you suffer, we should trust God. He will always be with you and he will give you strength. Isaiah 40:31 says the following:

*“But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.”*

And Joshua 1:9 says:

*“Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go.”*

God will never leave you. We want to encourage you and we want you to know that we are thinking of you and praying for you.

It also was a disappointment to us that the trip was cancelled. But we are not yet giving up hope. We hope to visit you, even though we have no idea when that would be. We also don't know whether the journey continuous or not.

Goodbye for now and hopefully we will meet you personally in Uganda!

Yours Sincerely,

Expedition South-Sudan
